WELCOME

A very warm welcome to the 2025 Ball. The Ball is one of the highlights of Cork's social calendar and heralds the start of the Christmas season for many. I would like to thank all of you for your presence here this evening and for your support for Marymount Hospice.

There are few institutions in Cork that hold as special a place in the hearts of its people as Marymount. It is a tribute to the extraordinary impact of the Hospice that this evening's event has become the must-attend event of the year. The outstanding work of the Hospice over many years, the provision of specialist services and the genuine and unstinting care for patients and their families in a dignified environment, reminds us of how much we owe to Marymount for helping to bring people together and building our sense of community here in Cork.

I would like to thank our main sponsors for their tremendous support and loyalty to the Ball. We welcome our main sponsors Musgrave, Keanes, Heineken, Johnson & Perrott Motor Group and Brown & Brown. We have also received wonderful support from many businesses and individuals who have willingly donated auction and raffle prizes. This support makes this event possible and such a success. I would also like to acknowledge the hard-working Ball Committee who work tirelessly to make this event possible year after year.

Thank you all for your most generous support for the 2025 Ball, and I hope you all enjoy the evening.

Martin Kelleher

Chairman

Marymount Ball Committee

Dr Sarah McCloskey, Chief Executive Officer, Marymount University Hospital and Hospice

Good evening, everyone. On behalf of the Marymount team and the Ball Committee we warmly welcome you to our annual Marymount Ball 2025.

Marymount has had an exceptionally busy year delivering care to more families than ever. We continue to provide increasingly complex care to those living with life-limiting illnesses in our hospice, across Cork City and County in peoples' homes, in the Cork acute hospitals and in many of the nursing homes across the county. The expert care delivered by our growing multidisciplinary team is offered irrespective of age or diagnosis. It is offered solely based on the needs of individuals living with a life-limiting illness and we provide a vital service for Cork.

Thanks to the support we receive, Marymount continues to develop its services to meet the needs of an ever-growing number of referrals. This year we have developed an outpatient service that not only enhances access to people who need it but also offers a significant suite of programmes and interventions to ease symptoms and optimise wellbeing for our patients. We have more ambitious plans for 2026 including patient bedroom upgrades and improving our facilities to enhance families' experiences on site. To each of you; thank you so much for making it possible for us to help others as best we can. Your contribution cannot be underestimated.

A special thank you to the fantastic Marymount Hospice Ball Committee for organising and hosting another wonderful evening. The committee members give selflessly of their time months ahead of the festive season, to ensure a successful event and to maximise fundraising for our hospice. I would also like to extend our sincerest gratitude to all sponsors of the Marymount Ball for their enormous generosity, which enables such a successful event each year, your support is truly appreciated.

On behalf of the Board of Directors, the Executive management team and all of us at Marymount I wish to thank you for supporting us this evening and throughout 2025. We wish you all a very peaceful Christmas and a prosperous New Year.

*Mr Jonathan Healy, Broadcaster and Journalist,
